Together we live, learn and laugh*

BRAMFORD BULLETIN

Bramford CEVC Primary School

Dear Parents/Carers

We hope you have had a refreshing half term and are looking forward to Spring. Here are a few updates of what has been going on in school!

Class News

In Reception the children have been celebrating Chinese New Year. They made some beautiful dragons and lanterns and then went on a very exciting parade around school!

In Years 1 and 2 we have started our new topic of Oceans and Seas. This is a Science / Geography topic and we will be looking at animals in the ocean, map work and lots more!

Years 3 and 4 have been preparing for their production, which is Joseph and his Technicolor Dream coat.

Years 5 and 6 have had a fantastic visit from a rocket man in school. They made rockets and then tested them on the field!

Have A Heart Day

On the 9th of February we held our annual 'Have a Heart Day'. We want to say a huge thank you to Mrs Wolton and members of the HSA who organised this. It was a fun filled day with a very important theme that ensures our children are well equipped to know what to do in an emergency.

Year 1 learning about life saving skills on Have a Heart Day!

Parent Information Sessions

We would like to remind Year 6 parents that we are holding a SATS information session straight after the Year 6 sharing assembly on Friday. We will also be rearranging a date for the Year 2 parent information session that was cancelled last week due to unforeseen circumstances. We will inform you as soon as this has been confirmed.

Together we live, learn and laugh*

Request for Old Games / Activities

We are still making an appeal for any old games or activities that you no longer need at home to help us set up a quiet space lunch time. Any donations would be greatly received and if you wish to contribute please could you bring them to the school office.

Year 6 Staffing Update

Mrs Squirrell's maternity leave begins this week and I am sure you will join me in wishing her all the best. We look forward to meeting her new bundle of joy soon - I know the Year 6 children are especially excited!

Mrs Wepener will now be teaching the Year 6 class on Mondays, Tuesdays and Thursdays with Mrs Lankester continuing to teach them on Wednesdays and Fridays. Mrs Wepener has already spent some time with the Year 6 class over the last couple of weeks and she, Mrs Squirrell and Mrs Lankester have worked hard to ensure a smooth transition for the children ahead of their SATS.

Dates for the sharing assemblies this half term are as follows - we hope you can make it!
All assemblies start at 9am every Friday.

2 nd March 18	Year 6
9 th March 18	Year R
16 th March 18	Year 1
